**NOTICE AND PETITION**

**PURSUANT TO 37 C.F.R. §§ 1.181/ 1.28 TO PAY DEFICIENT FEES**

Sir:

This petition provides notice of the correct entity status of the above identified patent and requests acceptance of payment of deficiencies between the amount paid and the amount due as a result of an intervening status change.

Small entity status of the above-identified patent was originally, and has subsequently been established in good faith. However, deficiencies of the fees were paid erroneously due to an intervening status change as follows:

	Paid Amount	Deficiencies
Amendment Claim Fee paid on 08/23/2000	\$531.00	\$621.00
Extension Fee paid on 11/22/2000	\$55.00	\$55.00
		Total Deficiency: \$676.00

Applicant requests that the total deficiency (i.e., \$676.00) be deducted from deposit account No. 13-4500, Order No. 4216-4000.

Applicant believes that there were no other fees paid erroneously than the two fees indicated above (i.e. Amendment Claim Fee and Extension Fee) during the intervening status change.

Accordingly, Applicant respectfully requests that this petition be granted. Applicants also request that the error be excused upon payment of the deficiency between the amount paid and the amount due.

The Commissioner is hereby authorized to charge any additional fees which may be due or necessary for consideration of this Notice and Petitions, or credit any overpayment to Deposit Account No. 13-4500. Order No. 4216-4000. A DUPLICATE COPY OF THIS SHEET IS ATTACHED.

Respectfully submitted,
